

8th November 2021

As the weather is beginning to change, from today, we will also use the lower route into school through the green gate. **This route is for children only** (except Nursery parents or your individual requirements have been discussed with school). The steps will continue to be supervised for those children who use rear entrance from Bron Haul into school. We continue to request that you wear a face covering on school site.

The PTA Fun Run raised £302 for school funds and the School Council's Bright Colours (own clothes) Day raised £44 towards their projects for this year. Thank you for your support!

Change to PE day for Years 1 and 2 – please wear your PE Kit on Wednesdays

Cofion,
Marina Parsons
Pennaeth / Headteacher
