

17th August 2020

Dear Parents / Carers,

I hope you are all having a lovely summer and enjoying the tropical weather; the thunderstorms have been amazing!

The following information is for the start of term in September. I will be sending more information during the next fortnight as I receive it. Our aim is to get as many pupils back as quickly as possible to full time education.

Week beginning 7th September

Monday and Tuesday: Reception / Y1 / Y3 / Y5

Wednesday: Nursery visits

Thursday and Friday: Reception / Y2 / Y4 / Y6

Week beginning Monday 14th September

Reception to Year 6 - attendance at school from this date is compulsory for all pupils so we will be expecting 100% of pupils in school from this week

Week beginning Monday 21st September

Nursery induction sessions (Nursery parents should have received a separate letter)

School is subject to a strict Risk Assessment which we ask all parents, staff and pupils to adhere to. The Risk Assessment will be put on the School website.

There will continue to be a staggered start and finish to the school day and the one-way system will still be in operation until further notice.

Parents should not use the school car park.

Pupils will be in a class bubble and will not be allowed to mix with other classes until all restrictions are lifted. Play times and dinner times will be staggered to reduce cross contamination so children will only mix socially within their bubble.

From the 7th September, pupils may bring their own packed lunches. School lunches will also be available. Direct payments for Free School Meals will continue until 14th September so all parents will need to provide a packed lunch or pay for a school meal during the first week. From 14th September, pupils entitled to Free School Meals will receive them in the

usual way and direct payments will cease. More information regarding school dinners will be released as and when it becomes available.

I am working with Tiny Tots to establish before and after school club as soon as possible and will update you when risk assessments are completed.

Any parents taking a holiday abroad in the last two weeks of the Summer break must inform school immediately, as depending on the destination you may be required to isolate for 14 days.

Full uniform will be expected from 7th September.

Under no circumstances should any pupil attend school if they feel unwell or experience any of the four main symptoms of COVID19, i.e. a new and continuous cough, temperature, loss of taste and smell. Similarly, they should not attend if any one member of the family household is ill or shows symptoms.

We are all looking forward to welcoming you and your children back in September

Kind regards,

Marina Parsons

Pennaeth / Headteacher

Further updates will be given via SeeSaw and the parents' Facebook page as and when information becomes available, but in the meantime if you have any further queries please don't hesitate to phone or email. I will be available in school Mon 24th - Thurs 27th to answer any questions.
